Happy 2018

Warm wishes for 2018 to all our longtime and our new customers.

We are one of the luckiest salons on the Gold Coast to have customers who have been with us for more than 25 years and we express our gratitude to you all.

We are more committed than ever to bring you the latest and the best of whatever is on the market and to make you look and feel more beautiful and valued all through the year to come.

Putting a smile on your face is our mission.

2017 was a great year full of excitement and great work. We created many memories for our brides, formals and parties with new colours and much much more.

An extra thank you goes to our weekly customers who are like our family - we share everything with you. Wishing you all a prosperous and healthy 2018.
