The big ones and the small,
A mother's love and tenderness
Is the greatest of them all.

April was a very successful month for us. Firstly Easter and then the excitement of the Commonwealth Games, the party just never ended. Now that the cooler months are upon us, it is time to do some maintenance on our hair and skin. To help you with this, we will have some serious healing treatments for your hair. All of this is **FREE** for the month of May. Mention the 'maintenance program' at shampooing time to receive your gift.

You all know, and many have had the pleasure of skin treatments with Ildi. Ildi can now combine her work with us as you have your colour done. If time is not an issue, book separately, for a very special and enjoyable treatment session.

*Birthday wishes for
everyone celebrating in
May*
