

SALON VIP

HAPPY NEW YEAR

From all of us at Salon VIP to all of you, our valued clients, we wish you a happy, healthy and prosperous New Year. Let's hope 2021 will be a better year.

Put your hair first

Now more than ever, we have to be aware of your needs. Your hair health; your perfect colour; your need for it to be practical, affordable and maintenance free time wise.

As the market is continually expanding and more products hit the shops, we have to be aware not to fall for the advertising and buy cheap products. Put your hair first. It is a big part of your future.

We will look after you and your crowning glory.

Hair Festival Sydney

Something for us to look forward to is the Hair Festival in Sydney on Sunday 13 and Monday 14 June.

TWO PRODUCT WINNERS

Two of our favourite products are winners for 2020.

The first is **FSP** - the proven treatment for thinning hair in women and men.

The second one is the luxury Keratin Smoothing Treatment. It repairs and conditions; is humidity proof, frizz free; gives smooth and incredible shine with super quick styling - Trichovedic Hair Wisdom.

We have been very lucky to be associated with these two amazing products.

Lakme Colours

Our Lakme colours are sustainable, organic, vegan and eco-friendly. Now we have a new compatible Teknia inspiring conscious shampoo and conditioner range to complete our Lakme colours.
