

FEBRUARY NEWS SALON VIP

January has flown past so fast!! Let's hope you have recovered from the holidays and all your little ones are back to school.

Now it's that special time for you to care for yourself.

We have been doing a lot of
body perms and KERATIN
SMOOTHING TREATMENTS.

Both jobs are time consuming
so please allow some relaxing time for yourself when
booking for either of these. Wednesdays and Thursdays
are the best as we are open late on both of these days.

SALON CLOSURE DATES

Saturday 9th February will be closed for a family event. Please book before or after that day. We are sorry for this inconvenience.

Upcoming holiday in April.

We have a work related trip away to Austria and are then off on our holiday. This will coincide with the Easter Holidays.

The salon will be CLOSED from 19 April to 28 May. We will back in full swing on Tuesday 28 May.

So you don't miss out, we will remind you again later.

*Happy Birthday to all
who are celebrating
in February.*

If you have had a WOW experience with us, forward our newsletter to a friend who you think may need a change. Word of mouth referrals are the backbone of our business and there is no greater compliment than to receive the referral of a friend or family member. Just so you know, we would like to **reward our referrers with a \$10.00 voucher** to be used on any of our services - so make sure they mention your name. Thanks, Barbara.
