

SALON VIP

The VIP Room

It is hard to believe that now, one year ago we sold our Southport salon.

We would like to express our big thanks to you all for making our VIP room your home for your beauty needs. Much appreciated.

Our opening hours are flexible, however please keep Sundays for emergency only :)

September and October are wedding season so some Saturdays are booked out already. Please check if you need an appointment on those days.

It is always better to have one and alter if you need to than to try to get in at the last minute. Thank you.

This month we will have a new little baby addition to our family and we will be Great Grandparents. Ha ha... My grandson Vincent asked if I know how to change a nappy ???

These kids are so funny....
