

SALON VIP The VIP Room

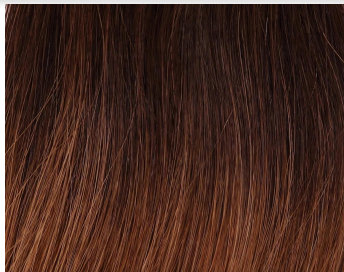

KAREN PHILLIPS - OAM

Huge congratulations to Karen for this tremendous achievement. For the past 35 years of knowing Karen, it is a very proud moment for everyone who has become acquainted with her in Salon VIP.

In Karen's own words she says - *The investiture ceremony and reception at Government House is a moment I will carry with me forever. Beyond words, I feel so honoured and deeply grateful to receive the Medal of the Order of Australia, surrounded by my family on such a special day.*

Well done Karen and keep on achieving.

I have three new colours from Italy to add to our repertoire and would be very happy to change some brave ladies colours. Are you up for the challenge?

We have celebrated Mrs Boglary's 90th birthday. Some of you know her as Ilike. We wish her many more healthy years to come.

We are very excited to attend the Hair Festival in Sydney and then to take a short break while we are down south to play catch-ups with the family.
The VIP Room will be closed from June 25 until July 14.

Happy birthday to all those born in June.
